

It took just seventeen days for George Macomb, a Michigan man, to bury his wife, put up a headstone, repaint his house, and marry a second time.

THINK of a country where the weather is so uniformly pleasant that it is never talked about. That is the way United States Minister Hicks describes Peru.

The perils of foot-ball arduous by the casualties in England, where, since last September, fifteen persons have been fatally hurt, and thirty-seven persons seriously wounded, while playing this lively game.

The pet names of the four baby states are as follows: North Dakota is the Flickertail state; South Dakota is the Swinge Cat state; Washington is the Chinook state, and Montana is the Stubbed Toe state.

N. P. WILLIS' once beautiful summer home, Idlewild, has been sold and converted into a private lunatic asylum. Mrs. Willis is living in Connecticut. She is a woman of large cultivation, strong character and generous impulses.

JUSTUS SCHWAB, who used to be one of New York's fiercest anarchists, no longer favors a division of property and a new civilization. Schwab's place has been made him a competency, and he is willing to get it and let the other fellows hustle.

It came out in plain English a few days ago that 100 worn-out horses had just been shipped from that country to Germany and Belgium to be used in the manufacture of sausage, and that such shipments were a regular thing.

TRIALS of the latest express compound locomotive in England, with a special train of eighteen carriages, developed the unparalleled speed of about ninety miles an hour. The highest speed, measured by a stop-watch, was just over ten seconds per quarter-mile run.

A CERTAIN Young Men's Christian Association recently invited a gentleman to deliver an address. He did so, but was somewhat taken back when the chairman, at the close of his address, gave out the hymn, "Art thou weary, art thou languid, art thou sore oppressed?"

The delicate question has come before the Brooklyn courts, can a woman claim a widow's third of the estate of the man to whom she was engaged? If the court allows the claim, a poor button hole worker of that city will find herself heir to some \$35,000.

T. R. POWELL, of Atlanta has a flag-staff set up at Gen. Sherman's headquarters while he was encamped near Decatur 1864. The General made his headquarters at the residence of Mr. Powell's father, and in the hurry of leaving the flag was taken to the store and left.

A MAN of Morgan County, Ohio, has a cat which is known by the neighbors as the "solar spectrum." From the tip of its tail to the end of its nose there are distributed all the colors of the rainbow. Its nose shines like a carbuncle, and there are several shades of violet on the fore legs.

MR. CHANCEY M. DEWEY disposes of the contents of this daily mail with the aid of his private secretary and two stenographers, one of whom is a negro. This man is said to be unusually competent, and to be treated with great respect not only by Mr. Dewey, but by everybody with whom he comes in contact.

A BROOKLYN girl, whose inheritance, but whose property is in care of a trust company, applied to the president for money with which to buy a seakins saque. He refused on the ground that it was a luxury. The girl then applied to the supreme court through a lawyer for permission, and it was granted, and in less than two hours the young lady was wearing the best one she could find.

PARSIANS were lately treated to a rare effect of mirage. The Eiffel tower was seen surmounted by an inverted image of itself, vertical in the heavens and looking like a duplicate continuation of the real structure. The base of the image lost itself in the upper mist, while behind the tower was a low cloud which gleamed like silver. The sun was shining across the haze to the left of the tower and contributed an additional effect of light and shadow.

In correction of the oft-repeated assertion that sugar costs the people of this country more per capita than flour, F. B. Thurber of New York writes to the Economist that the average consumption of sugar per capita was probably not over \$4. The average consumption of flour per capita is one barrel per annum, and the average price to the consumer was \$5.50 to \$6.

SECRETARY RUSK is about to issue an address to the farmers of the country explaining how the depression in agriculture can be remedied. He attributes the present state of affairs in part to carelessness in culture and says that in these days of world-wide competition a successful farmer must be as well trained and careful in business as a store keeper and his equal in general intelligence and education.

WASHINGTON.

Secretary McComb, of Seattle, Wash., who has been charged \$25,000, remained in the city to receive a summons from the grand jury. He was released from the grand jury's charge last night, and is expected to leave for Seattle tomorrow.

THINK of a country where the weather is so uniformly pleasant that it is never talked about. That is the way United States Minister Hicks describes Peru.

The perils of foot-ball antedated by the casualties in England where, since last September, fifteen persons have been fatally hurt, and thirty-seven persons seriously wounded, while playing this lively game.

The pet names of the four baby states are as follows: North Dakota is the Flicker cat state; South Dakota is the Swinge Cat state; Washington is the Chinook state, and Montana is the Stuffed Toe state.

N. P. Willis' once beautiful summer home, Idlewild, has been sold and converted into a private lunatic asylum. Mrs. Willis is living in Connecticut. She is a woman of large cultivation, strong character and generous impulses.

JUSTUS SCHWAB, who used to be one of New York's fiercest anarchists, no longer favors a division of property and a new civilization. Schwab's place has made him a competency, and he is willing to keep it and let the other fellows hustle.

It came out in an English court a few days ago that 100 worn-out horses had just been shipped from that country to Germany and Belgium to be used in the manufacture of sausage, and that such shipments were a regular thing.

TRIALS of the latest express compound locomotive in England, with a special train of eighteen carriages, developed the unparalleled speed of about ninety miles an hour. The highest speed, measured by a stop-watch, was just over ten seconds per quarter-mile run.

A CERTAIN Young Men's Christian Association recently invited gentlemen to deliver an address. He did so, but was somewhat taken back when the chairman, at the close of his address, gave out the hymn, "Art thou weary, art thou languid, art thou sore oppressed?"

The delicate question has come before the Brooklyn courts, can a woman claim a widow's third of the estate of the man to whom she was engaged? If the court allows the claim, a poor button hole worker of that city will soon find herself richer than some \$55,000.

T. R. POWELL, of Atlanta, has a flag-staff used by Gen. Sherman's headquarters while he was encamped near Decatur 1864. The General made his headquarters at the residence of Mr. Powell's father, and in the hurry of leaving the flag was taken out of the staff and left.

A MAN of Morgan County, Ohio, has a cat which is known by the neighbors as the "solar spectrum." From the tip of its tail to the end of its nose there are distributed all the colors of the rainbow. Its nose shines like a carbuncle, and there are several shades of violet on the fore legs.

MR. CHANCEY M. DEWEY disposes of the contents of his daily mail with the aid of his private secretary and two stenographers, one of whom is a negro. This man is said to be unusually competent, and to be treated with great respect not only by Mr. Dewey, but by everybody with whom he comes in contact.

A BROOKLYN girl, who is an heiress, but whose property is in care of a trust company, applied to the president for money with which to buy a seal skin. He refused on the ground that it was a luxury. The girl then applied to the supreme court through a lawyer for permission, and it was granted, and in less than two hours the young lady was wearing the best one she could find.

PARTISANS were lately treated to a rare effect of mirage. The Eiffel tower was seen surmounted by an inverted image of itself, vertical in the heavens and looking like a duplicate continuation of the real structure. The base of the image lost itself in the upper mist, while behind the tower was a low cloud which gleamed like silver. The sun was shining across the base to the left of the tower and contributed an additional effect of light and shadow.

IN CORRECTION of the oft-repeated assertion that sugar costs the people of the world more per capita than flour, F. B. Thurber of New York writes to the Economist that the average consumption of sugar per capita was, last year, about fifty-one pounds, and the retail cost was probably not over \$4. The average consumption of flour per capita is one barrel per annum, and the average price to the consumer was \$5.50 to \$6.

SECRETARY RUSK is about to issue an address to the farmers of the country explaining how the depression in agriculture can be remedied. He attributes the present state of affairs in part to carelessness in culture and says that in these days of world-wide competition a successful farmer must be as well trained and careful in business as a store keeper and his equal in general intelligence and education.

THE STRIKE KEPT.

Chicago Carpenters and New Bosses Settle the Last Detail of Arbitration.

Eight Hours to Constitute a Day's Work With a Compromise on Wages.

CHICAGO, Special.—The great carpenters' strike is finally settled. The necessary papers were signed to-day and ratified by the men. The arbitration committee, which had been organized by the union and the employers, met to-day to settle the last detail. The journeyman achieved an almost sweeping victory. They made concessions on but two points, and every journeyman carpenter throughout the city was jubilant to-night over the result. The only disappointment was that the arbitrators of the last detail, which was the arbitration committee, had not been able to settle the last detail.

FOREIGN COUNCILS.

It is announced that an English syndicate has purchased the Western railway Argentine Republic for \$41,000,000 of gold.

PERSONAL MENTION.

Two years ago Margaret Kinney, of Alpena, Mich., was taken suddenly ill, and since that time she has been in the hospital. She remains motionless, and sometimes she goes ten days without food. Physicians say she is in a state of coma, and that she is not expected to live. The girl has not spoken a word since she was first stricken.

RECORD OF CASUALTIES.

The 11-year-old son of Ole Sandberg, of the city of Minneapolis, died to-day. He was a very healthy and active boy, and was a member of the city's baseball team.

THE HEAVIEST hail storm on record passed over Baltimore from northwest to southeast. Many thousands of windows in the city were broken, and the hail was very large, some measuring more than one inch in diameter. The storm was accompanied by thunder and lightning. A creek which flows through the center of the town rose up and overflowed, and the water did not recede until the rain had stopped.

Serenaded the Mayor-Elect.

Mayor Elect Stivers was serenaded at his home on Fifth street on Wednesday evening by the Third Regiment Band and a large number of citizens. The matter was arranged on Wednesday afternoon by some of Mr. Stivers' ardent admirers, and at 9 o'clock the procession started down Sixth street. Arriving at the residence the band opened the ceremonies and Mr. Stivers appeared. He addressed the audience in his usual entertaining manner, thanked them for the honor and praised the excellence of the music and ended by inviting the people assembled into the house where as many as could crowd were seated, but many were unable to gain entrance. Cigars were passed and congratulations indulged in and after listening to two or three selections of music the meeting broke up and the crowd retired.

17th of May.

At a meeting of Scandinavians held at Gardner's hall last Saturday evening it was decided to celebrate the 70th anniversary of the independence of Norway, and accordingly a committee of arrangements consisting of A. Olson, J. M. Johnson, O. Korslund, A. Mahlum and Mons. Mahlum, was appointed. The programme has not as yet been fully out-lined, but will probably consist of a parade, speaking in both Norwegian and English, and a grand ball in the evening at the Armory. Next week we will publish the programme in full.

STIVERS A WINNER.

The Journal Man is Elected Mayor By a Handsome Majority.

Aldermen Gardner and Cullen Meet Their Waterloo.

The Aldermen-at-Large are P. Walters, W. Hemsted, M. Hagberg and N. W. Wheatley.

The Result by Wards.

Last Tuesday was election day, and as far as weather was concerned the day was almost a perfect one. The sun shone brightly all day, although in the afternoon it became a little too windy for comfort. As a result of the fine weather and the rather hot fight for mayor, quite a large vote was polled, nearly 1100 votes being cast, while the usual vote in municipal elections scarcely ever exceeds 900. Bro. Stivers, as reference to the table below will show, was elected mayor by a vote nearly as large as that of the other two candidates combined. This is an endorsement of which Bro. Stivers may well feel proud. A. J. Demoules, who had no opponent, was elected city treasurer by a vote which exceeded the total vote for mayor. This is certainly a very flattering testimonial of Mr. Demoules' manner of performing the work of the office the past year. Messrs. Walters, Hemsted, Hagberg and Wheatley were elected aldermen at large. Mr. Lagerquist being only 50 votes behind Mr. Wheatley. The following table shows the vote by wards for each of the candidates:

For Mayor—		1st Ward	2nd Ward	3rd Ward	4th Ward	5th Ward	6th Ward	7th Ward	8th Ward	9th Ward	10th Ward	11th Ward	12th Ward	13th Ward	14th Ward	15th Ward	16th Ward	17th Ward	18th Ward	19th Ward	20th Ward	21st Ward	22nd Ward	23rd Ward	24th Ward	25th Ward	26th Ward	27th Ward	28th Ward	29th Ward	30th Ward	31st Ward	32nd Ward	33rd Ward	34th Ward	35th Ward	36th Ward	37th Ward	38th Ward	39th Ward	40th Ward	41st Ward	42nd Ward	43rd Ward	44th Ward	45th Ward	46th Ward	47th Ward	48th Ward	49th Ward	50th Ward	51st Ward	52nd Ward	53rd Ward	54th Ward	55th Ward	56th Ward	57th Ward	58th Ward	59th Ward	60th Ward	61st Ward	62nd Ward	63rd Ward	64th Ward	65th Ward	66th Ward	67th Ward	68th Ward	69th Ward	70th Ward	71st Ward	72nd Ward	73rd Ward	74th Ward	75th Ward	76th Ward	77th Ward	78th Ward	79th Ward	80th Ward	81st Ward	82nd Ward	83rd Ward	84th Ward	85th Ward	86th Ward	87th Ward	88th Ward	89th Ward	90th Ward	91st Ward	92nd Ward	93rd Ward	94th Ward	95th Ward	96th Ward	97th Ward	98th Ward	99th Ward	100th Ward
